- There are two kinds of means requisite to promote a revival: the one to influence men, the other to influence God. The truth is employed to influence men, and prayer to move God. When I speak of moving God, I do not mean that God's mind is changed by prayer, or that His disposition or character is changed. But prayer produces such a change in us it renders it consistent for God to do as it would not be consistent for Him to do otherwise. When a sinner repents, that state of feeling makes it proper for God to forgive him. God has always been ready to forgive him on that condition, so that when the sinner changes his feelings and repents, it requires no change of feeling in God to pardon him. It is the sinner's repentance that renders His forgiveness proper, and is the occasion of God's acting as He does.

- So, also, when the children of God pray fervently they are in the right inner condition to enable God to hear them. He was always prepared to bless those who have a right heart attitude and who pray in the right way.
- Prayer is in a chain of causes which lead to a revival, and is a cause which is as important as the proclamation of the truth. Many zealously preached the gospel to cause people to turn around but have laid too little weight on prayer. They preached eagerly, talked to individuals, and handed out leaflets but, to their surprise, with little success. The reason why they could not achieve more was because they neglected the other form of support, which is fervent prayer. They forgot that the truth itself has no effect without the Spirit of God.
